

Suffolk County Fire Chiefs Council Presents:

*An in-depth discussion on:  
The Third Deadliest School Shooting in Modern History  
Marjory Stoneman Douglas High School  
Parkland Florida  
(Active Shooter Incident, February 2018)*

*Friday March 22<sup>nd</sup> 2019, 7 pm @ Westhampton Beach Fire Department*

Please join us as we welcome **Frank Babinec**, Parkland Florida-Coral Springs Fire Chief and his Division Chief **Mike Moser** for our annual scholarship seminar on **March 22<sup>nd</sup> 2019 at 7 pm at the Westhampton Beach Fire Department (92 Sunset Avenue, Westhampton Beach NY)**. We will take an in-depth look at the Marjory Stoneman Douglas High School (Parkland Florida) shooting from February 14<sup>th</sup> 2018. This active shooter incident is the seventh deadliest shooting in US History and the third deadliest school shooting in modern history. On this fateful day, a school shooter entered the high school and opened fire with a long rifle. Within approximately 7 minutes, 34 people were killed or injured. The Coral Springs-Parkland Fire Department, Coral Springs Police Department (CSPD), and the Broward Sheriff's Office (BSO) would be among the first of multiple emergency responding agencies arriving to assess and mitigate the incident. Chief Babinec will take us through the department's active shooter plan prior to the incident, split second decisions made during the incident, and a lessons learned segment. The on-scene incident command structure as well as the handling of victims will be covered. We will be given a behind the scenes glimpse of this incident from the initial dispatch until the last emergency vehicle left the scene. This will help us to prepare if this ever happens in our community.

**CME's will be awarded for this seminar!!**

Light Refreshments will be served.
